

To Our Valued Clients,

During these unprecedented times, Superior Service Electric would like you to know that we are here to help. We would also like to assure you that we are doing everything in our power to keep our customers and employees safe and healthy while conducting business.

As recommended by the CDC, we are practicing social distancing in the office and out in the field, and have asked team members to stay home if they feel the slightest bit ill. We are also requesting any client who has an appointment set to please contact us in advance if you are feeling ill to discuss options.

As we are considered an essential service, we are open to take appointments and run service calls. We look forward to working with you whenever that may be and we thank you for your continued support and business!

Superior Service Electric is here for all of your electrical system needs. Contact us [online](#) or call us at (205) 433-4022.
